Aboriginal patients

<https://policybase.cma.ca/en/permalink/policy8558>

Policy Type: Policy resolution

Last Reviewed: 2013-Mar-02

Date: 2006-Aug-23

Topics: Health human resources
Physician practice/ compensation/ forms
Population health/ health equity/ public health

Resolution: The Canadian Medical Association, working with its divisions and affiliates, in cooperation with Aboriginal associations, calls for medical schools to develop courses to educate physicians on: a) the history and culture of Aboriginal peoples in Canada, b) communication skills to enhance their care of Aboriginal patients, and c) their response to health issues of particular concern to Aboriginal patients and their communities.

Access to long-term care

<https://policybase.cma.ca/en/permalink/policy9500>

Policy Type: Policy resolution

Last Reviewed: 2016-May-20

Date: 2009-Aug-19

Topics: Population health/ health equity/ public health
Health systems, system funding and performance

Resolution: The Canadian Medical Association, in collaboration with provincial/territorial medical associations, affiliates and associates, will communicate to governments that insufficient access to long-term care at all ages is an obstacle to improving the health care system.

Access to pediatric palliative care

<https://policybase.cma.ca/en/permalink/policy8504>

Policy Type: Policy resolution
Last Reviewed: 2013-Mar-02
Date: 2006-Aug-23
Topics: Population health/ health equity/ public health
Health systems, system funding and performance
Resolution: The Canadian Medical Association calls upon the federal government, in cooperation with provincial and territorial governments, to improve access to pediatric palliative care through enhanced funding, training and awareness campaigns.

Access to the same effective and appropriate care for all Canadians

<https://policybase.cma.ca/en/permalink/policy11661>

Policy Type: Policy resolution
Date: 2015-Aug-26
Topics: Health systems, system funding and performance
Population health/ health equity/ public health
Resolution: The Canadian Medical Association recommends patient populations that fall under federal jurisdiction should have access to the same effective and appropriate care as all other Canadians.

Accredited standards for the management of life-limiting chronic disease

<https://policybase.cma.ca/en/permalink/policy11636>

Policy Type: Policy resolution
Date: 2015-Aug-26
Topics: Population health/ health equity/ public health
Ethics and medical professionalism
Resolution: The Canadian Medical Association supports the development and application of accredited standards for the integration of a palliative care approach into the management of life-limiting chronic disease.

Addiction

<https://policybase.cma.ca/en/permalink/policy9527>

Policy Type: Policy resolution

Last Reviewed: 2016-May-20

Date: 2009-Aug-19

Topics: Health care and patient safety

Population health/ health equity/ public health

Resolution: The Canadian Medical Association recognizes addiction as a chronic, treatable disease and urges that it be included in national and provincial/territorial efforts to improve chronic disease management.

Adoption of fracture-liaison programs

<https://policybase.cma.ca/en/permalink/policy11601>

Policy Type: Policy resolution
Date: 2015-Aug-26
Topics: Population health/ health equity/ public health
Resolution: The Canadian Medical Association supports the adoption of fracture-liaison programs at facilities involved with post-fracture care.

Advertising of high-calorie and nutrient-poor food

<https://policybase.cma.ca/en/permalink/policy8527>

Policy Type: Policy resolution
Last Reviewed: 2013-Mar-02
Date: 2006-Aug-23
Topics: Population health/ health equity/ public health
Resolution: The Canadian Medical Association calls upon the federal government to limit advertising of high-calorie and nutrient-poor food directed at Canadian children.
