Access to safe and nutritious food for children in northern communities

<https://policybase.cma.ca/en/permalink/policy8877>

Policy Type: Policy resolution
Last Reviewed: 2014-Mar-01
Date: 2007-Aug-22
Topics: Population health/ health equity/ public health
Health care and patient safety
Resolution: The Canadian Medical Association calls on the federal government to promote access to safe and nutritious food for children in northern communities affected by disruptions in traditional food-acquisition methods and a shift to a more processed low-nutrient diet.

Access to the same effective and appropriate care for all Canadians

<https://policybase.cma.ca/en/permalink/policy11661>

Policy Type: Policy resolution
Date: 2015-Aug-26
Topics: Health systems, system funding and performance
Population health/ health equity/ public health
Resolution: The Canadian Medical Association recommends patient populations that fall under federal jurisdiction should have access to the same effective and appropriate care as all other Canadians.

Accredited standards for the management of life-limiting chronic disease

<https://policybase.cma.ca/en/permalink/policy11636>

Policy Type: Policy resolution
Date: 2015-Aug-26
Topics: Population health/ health equity/ public health
Ethics and medical professionalism
Resolution: The Canadian Medical Association supports the development and application of accredited standards for the integration of a palliative care approach into the management of life-limiting chronic disease.

Adoption of fracture-liaison programs

<https://policybase.cma.ca/en/permalink/policy11601>

Policy Type: Policy resolution
Date: 2015-Aug-26
Topics: Population health/ health equity/ public health
Resolution: The Canadian Medical Association supports the adoption of fracture-liaison programs at facilities involved with post-fracture care.

Air pollution

<https://policybase.cma.ca/en/permalink/policy8891>

Policy Type: Policy resolution
Last Reviewed: 2014-Mar-01
Date: 2007-Aug-22
Topics: Health care and patient safety
Population health/ health equity/ public health
Resolution: The Canadian Medical Association urges the federal government to improve the quality of the air that Canadians breathe by strengthening initiatives to reduce domestic air pollution emissions and advocating strongly for emission reductions in bordering American states.

Alcoholism

<https://policybase.cma.ca/en/permalink/policy790>

Policy Type: Policy resolution
Last Reviewed: 2017-Mar-04
Date: 1976-Jun-25
Topics: Population health/ health equity/ public health
Resolution: Be it resolved that the Canadian Medical Association recognize alcoholism as an addictive disease.

Barriers to accessing immunization

<https://policybase.cma.ca/en/permalink/policy11620>

Policy Type: Policy resolution
Date: 2015-Aug-26
Topics: Population health/ health equity/ public health
Health systems, system funding and performance
Resolution: The Canadian Medical Association will work to reduce barriers to accessing immunization.

Basic income guarantee

<https://policybase.cma.ca/en/permalink/policy11650>

Policy Type: Policy resolution
Date: 2015-Aug-26
Topics: Population health/ health equity/ public health
Resolution: The Canadian Medical Association endorses the concept of a basic income guarantee

Best-care practices that acknowledge the unique circumstances of Aboriginal communities

<https://policybase.cma.ca/en/permalink/policy11669>

Policy Type: Policy resolution
Date: 2015-Aug-26
Topics: Health systems, system funding and performance
Population health/ health equity/ public health
Resolution: The Canadian Medical Association will convene a national roundtable to eliminate jurisdictional barriers and establish best-care practices that acknowledge the unique circumstances of Aboriginal communities.
