## Aboriginal patients

<https://policybase.cma.ca/en/permalink/policy8558>

Policy Type: Policy resolution

Last Reviewed: 2013-Mar-02

Date: 2006-Aug-23

Topics: Health human resources  
Physician practice/ compensation/ forms  
Population health/ health equity/ public health

Resolution: The Canadian Medical Association, working with its divisions and affiliates, in cooperation with Aboriginal associations, calls for medical schools to develop courses to educate physicians on: a) the history and culture of Aboriginal peoples in Canada, b) communication skills to enhance their care of Aboriginal patients, and c) their response to health issues of particular concern to Aboriginal patients and their communities.

## Access to long-term care

<https://policybase.cma.ca/en/permalink/policy9500>

Policy Type: Policy resolution

Last Reviewed: 2016-May-20

Date: 2009-Aug-19

Topics: Population health/ health equity/ public health  
Health systems, system funding and performance

Resolution: The Canadian Medical Association, in collaboration with provincial/territorial medical associations, affiliates and associates, will communicate to governments that insufficient access to long-term care at all ages is an obstacle to improving the health care system.

## Access to pediatric palliative care

<https://policybase.cma.ca/en/permalink/policy8504>

Policy Type: Policy resolution  
Last Reviewed: 2013-Mar-02  
Date: 2006-Aug-23  
Topics: Population health/ health equity/ public health  
Health systems, system funding and performance  
Resolution: The Canadian Medical Association calls upon the federal government, in cooperation with provincial and territorial governments, to improve access to pediatric palliative care through enhanced funding, training and awareness campaigns.

## Access to quality health care

<https://policybase.cma.ca/en/permalink/policy323>

Policy Type: Policy resolution  
Last Reviewed: 2019-Mar-03  
Date: 1998-Sep-09  
Topics: Population health/ health equity/ public health  
Health systems, system funding and performance  
Resolution: That access to quality health care must be available to all Canadians, in a manner consistent with provincial/territorial human rights legislation and the Canadian Charter of Rights and Freedoms.

## Access to the same effective and appropriate care for all Canadians

<https://policybase.cma.ca/en/permalink/policy11661>

Policy Type: Policy resolution  
Date: 2015-Aug-26  
Topics: Health systems, system funding and performance  
Population health/ health equity/ public health  
Resolution: The Canadian Medical Association recommends patient populations that fall under federal jurisdiction should have access to the same effective and appropriate care as all other Canadians.

## Accredited standards for the management of life-limiting chronic disease

<https://policybase.cma.ca/en/permalink/policy11636>

Policy Type: Policy resolution

Date: 2015-Aug-26

Topics: Population health/ health equity/ public health  
Ethics and medical professionalism

Resolution: The Canadian Medical Association supports the development and application of accredited standards for the integration of a palliative care approach into the management of life-limiting chronic disease.

## Active Transportation
