## Access to the same effective and appropriate care for all Canadians

<https://policybase.cma.ca/en/permalink/policy11661>

Policy Type: Policy resolution  
Date: 2015-Aug-26  
Topics: Health systems, system funding and performance  
Population health/ health equity/ public health  
Resolution: GC15-82  
The Canadian Medical Association recommends patient populations that fall under federal jurisdiction should have access to the same effective and appropriate care as all other Canadians.

## Accredited standards for the management of life-limiting chronic disease

<https://policybase.cma.ca/en/permalink/policy11636>

Policy Type: Policy resolution

Date: 2015-Aug-26

Topics: Population health/ health equity/ public health  
Ethics and medical professionalism

Resolution: GC15-38

The Canadian Medical Association supports the development and application of accredited standards for the integration of a palliative care approach into the management of life-limiting chronic disease.

## Adoption of fracture-liaison programs

<https://policybase.cma.ca/en/permalink/policy11601>

Policy Type: Policy resolution

Date: 2015-Aug-26

Topics: Population health/ health equity/ public health

Resolution: GC15-21

The Canadian Medical Association supports the adoption of fracture-liaison programs at facilities involved with post-fracture care.

## Allocation of resources

<https://policybase.cma.ca/en/permalink/policy9886>

Policy Type: Policy resolution

Last Reviewed: 2017-Mar-04

Date: 2010-Aug-25

Topics: Population health/ health equity/ public health  
Health systems, system funding and performance

Resolution: GC10-63

The Canadian Medical Association, in collaboration with provincial/territorial medical associations, strongly urges governments that decisions regarding the allocation of resources for new and existing health care treatments, programs, policies and products be consistent with the best available scientific evidence.

## Antibiotic resistant organisms in humans

<https://policybase.cma.ca/en/permalink/policy9902>

Policy Type: Policy resolution

Last Reviewed: 2017-Mar-04

Date: 2010-Aug-25

Topics: Population health/ health equity/ public health

Ethics and medical professionalism

Health care and patient safety

Resolution: GC10-79

The Canadian Medical Association, in collaboration with provincial/territorial medical associations, will work with Health Canada and the Public Health Agency of Canada to investigate the agriculture-related release of antibiotic resistant organisms and residual antibiotics into earth and water ecosystems, as well as the role they play in the emergence of antibiotic resistant organisms in humans.

## Appropriateness in clinical care

<https://policybase.cma.ca/en/permalink/policy10856>

Policy Type: Policy resolution

Date: 2013-Aug-21

Topics: Population health/ health equity/ public health

Health systems, system funding and performance

Resolution: GC13-37

The Canadian Medical Association adopts the following definition for appropriateness in health care: It is the right care, provided by the right providers, to the right patient, in the right place, at the right time, resulting in optimal quality care.

## Barriers to accessing immunization

<https://policybase.cma.ca/en/permalink/policy11620>

Policy Type: Policy resolution  
Date: 2015-Aug-26  
Topics: Population health/ health equity/ public health  
Health systems, system funding and performance  
Resolution: GC15-56  
The Canadian Medical Association will work to reduce barriers to accessing immunization.

## Basic income guarantee

<https://policybase.cma.ca/en/permalink/policy11650>

Policy Type: Policy resolution  
Date: 2015-Aug-26  
Topics: Population health/ health equity/ public health  
Resolution: GC15-70  
The Canadian Medical Association endorses the concept of a basic income guarantee

## Best-care practices that acknowledge the unique circumstances of Aboriginal communities

<https://policybase.cma.ca/en/permalink/policy11669>

Policy Type: Policy resolution  
Date: 2015-Aug-26  
Topics: Health systems, system funding and performance  
Population health/ health equity/ public health  
Resolution: GC15-90  
The Canadian Medical Association will convene a national roundtable to eliminate jurisdictional barriers and establish best-care practices that acknowledge the unique circumstances of Aboriginal communities.
