---

The policy document titled "Return to school during COVID-19" discusses the importance of ensuring a safe and healthy learning environment for students. It outlines several recommendations to mitigate the spread of COVID-19 in schools, including:

1. 

2. 

3. 

4. 

5. 

6. 

7. 

8. 

9. 

10. 

The document emphasizes the need for comprehensive public health measures, including regular testing, contact tracing, and vaccination initiatives. It also advocates for equitable access to vaccination and testing, particularly for vulnerable communities. The policy underscores the critical role of collaboration between schools, public health authorities, and stakeholders to ensure a safe and supportive learning environment for all students.
