CMA POLICY
A national action plan for mental illness and mental health: a call for action

This statement sets out the objectives of a national action plan for mental illness and mental health. It is intended to provide a framework for the implementation of this plan.

BACKGROUND
The Canadian Medical Association (CMA) is committed to promoting the health and well-being of all Canadians. This commitment is reflected in its policy on mental health and mental illness, which recognizes the importance of addressing the needs of individuals with mental health problems.

OBJECTIVES
The objectives of the national action plan for mental illness and mental health are to:
1. Promote mental health and well-being in all Canadians.
2. Reduce the stigma and discrimination associated with mental illness.
3. Improve access to mental health services and supports.

IMPLEMENTATION
The CMA encourages all levels of government to support the implementation of the national action plan for mental illness and mental health. This includes providing financial and human resources to support the plan's objectives.

SUMMARY
The national action plan for mental illness and mental health is a comprehensive strategy to ensure that all Canadians have access to the mental health services and supports they need.
