Answering the Wake-up Call: CMA’s Public Health Action Plan

CMA submission to the National Advisory Committee on SARS and Public Health

June 2003

EXECUTIVE SUMMARY

The public health response of Council, in the best interest of our community,在于 is the fundamental public good and is essential to maintaining health and safety. It is the role of government to provide, in partnership with the health care system, the necessary resources to ensure that public health priorities are addressed.

The CMA Council has responded to the public health emergency by endorsing the following principles and actions:

- Health systems, system funding and performance
- Health care and patient safety
- Population health, health equity, public health
