CMA POLICY

ACTIVE TRANSPORTATION

Relevant:
The major themes affecting healthy and active living may include safety, health, and environment, and are highlighted in the CMA's Strategic Plan. The CMA will continue to advocate for policies that support active transportation.

Documents:

This policy is in support of the CMA's Healthier Communities Program, which aims to improve the health and well-being of Canadians by promoting policies that support healthy living. The policy provides guidance to healthcare providers on how to incorporate active transportation into their practices.

The policy is available on the CMA's website at https://policybase.cma.ca/link/policy9483.
