Global vaccine equity

1. Ensure that the everyday access to safe vaccines. This means improving access to safe vaccines and reducing the burden of vaccine-preventable disease.

2. Advocating for global vaccine equity and the rights of all people to access safe and effective vaccines.

3. Ensuring that all countries have access to safe and effective vaccines, regardless of their ability to pay.

4. Encouraging the development and distribution of safe and effective vaccines through public and private partnerships.

5. Supporting the WHO’s vaccination strategies, including the COVAX initiative.

It is hoped that these recommendations will help to improve global vaccine equity and ensure that all people have access to safe and effective vaccines.
