CMA POLICY

Flexibility in Medical Training
(Update 2009)

The Canadian Medical Association (CMA) is committed to ensuring that its health care system is fully equipped to meet the needs of patients. The CMA is dedicated to supporting the development of policies that promote the provision of high-quality, patient-centered care. The CMA Policy on Health human resources is designed to address the needs of healthcare providers and to ensure that the healthcare system is able to meet the needs of patients.

The CMA Policy on Health human resources is designed to address the needs of healthcare providers and to ensure that the healthcare system is able to meet the needs of patients. The CMA is committed to ensuring that its health care system is fully equipped to meet the needs of patients. The CMA is dedicated to supporting the development of policies that promote the provision of high-quality, patient-centered care. The CMA Policy on Health human resources is designed to address the needs of healthcare providers and to ensure that the healthcare system is able to meet the needs of patients.
