CMA POLICY

Flexibility in Medical Training
[Update 2009]

The Canadian Medical Association (CMA) is an organization of medical practitioners that works with regulators and governments to protect medical practice and the health of Canadians.

CMA's members are responsible for providing high-quality care to their patients, as well as maintaining the confidentiality of patient information.

The CMA is an organization of medical practitioners that works with regulators and governments to protect medical practice and the health of Canadians.

CMA's members are responsible for providing high-quality care to their patients, as well as maintaining the confidentiality of patient information.
