[Letter content]

The Canadian Medical Association (CMA) is writing to the Council of the Federation to express our support for the Council’s meeting and discussion on Canada’s health funding priorities. We are particularly focused on the health workforce, primary care, and labour mobility.

We recommend that the Council consider the following measures to address these priorities:

[Detailed recommendations]

Yours sincerely,

### Documents

1. Ensure ready access to water.
2. Protect in situ ecosystems and biodiversity.
3. Implement local food systems, including community gardens and farmer’s markets.
4. Promote active transportation such as biking and walking.
5. Increase access to both mental and physical health services.
6. Implement culturally relevant health services and supports.
7. Enhance digital and information literacy.

Various organizations have provided additional recommendations on key recovery areas.
