**Return to school during COVID-19**

1. **COVID-19 Interim Public Health Guidance for K-12 Schools**
   - The Canadian Medical Association (CMA) has developed interim public health guidance for K-12 schools during the COVID-19 pandemic. This guidance is intended to help schools and school boards develop and implement measures to prevent the spread of COVID-19 and protect the health and safety of students, teachers, staff, and visitors.
   - The guidance covers topics such as mask use, physical distancing, cleaning and disinfecting, and classroom design.
   - Schools and school boards are encouraged to consult this guidance and develop a comprehensive plan that aligns with local public health guidelines.

2. **COVID-19 and Education**
   - The World Health Organization (WHO) has released a comprehensive package of resources to support schools in managing the COVID-19 pandemic. The package includes guidance on testing, contact tracing, and other measures to help keep schools safe.
   - Schools are encouraged to consult these resources and adapt them to their local context.

3. **COVID-19 and Education in Canada**
   - The Canadian Education Association (CEA) has developed a resource guide for schools during the COVID-19 pandemic. The guide includes information on remote learning, mental health supports, and other topics.
   - Schools are encouraged to consult this guide and adapt it to their local context.

4. **COVID-19 and Education in the United States**
   - The American Federation of Teachers has released a resource guide for schools during the COVID-19 pandemic. The guide includes information on health and safety, remote learning, and other topics.
   - Schools are encouraged to consult this guide and adapt it to their local context.

5. **COVID-19 and Education in Europe**
   - The European Commission has developed a resource guide for schools during the COVID-19 pandemic. The guide includes information on health and safety, remote learning, and other topics.
   - Schools are encouraged to consult this guide and adapt it to their local context.
