Re: Request for a payment recognition and compensation of Canada’s front-line health care workers during the COVID-19 pandemic

Delegates recognize the following:

1. The substantial and ongoing contributions of Canada’s front-line health care workers during the COVID-19 pandemic to the health and safety of all Canadians, and the need for compensation.

2. The significant and ongoing contributions of the health care system and its workers, through the provision of care and services, to the health and safety of all Canadians, and the need for compensation.

3. The significant and ongoing contributions of the health care system and its workers, through the provision of care and services, to the health and safety of all Canadians, and the need for compensation.

4. The significant and ongoing contributions of the health care system and its workers, through the provision of care and services, to the health and safety of all Canadians, and the need for compensation.

5. The significant and ongoing contributions of the health care system and its workers, through the provision of care and services, to the health and safety of all Canadians, and the need for compensation.

6. The significant and ongoing contributions of the health care system and its workers, through the provision of care and services, to the health and safety of all Canadians, and the need for compensation.

7. The significant and ongoing contributions of the health care system and its workers, through the provision of care and services, to the health and safety of all Canadians, and the need for compensation.

8. The significant and ongoing contributions of the health care system and its workers, through the provision of care and services, to the health and safety of all Canadians, and the need for compensation.

9. The significant and ongoing contributions of the health care system and its workers, through the provision of care and services, to the health and safety of all Canadians, and the need for compensation.

10. The significant and ongoing contributions of the health care system and its workers, through the provision of care and services, to the health and safety of all Canadians, and the need for compensation.

11. The significant and ongoing contributions of the health care system and its workers, through the provision of care and services, to the health and safety of all Canadians, and the need for compensation.
